In disposing of the appeal to-day Justice Maddox overruled the motion of the defendant for a new trial, and held that Halstead & Co. were entitled to the full amount of the damages.

Despite threats of the District-Attorney of Delaware County that wholesale arrests would be made if the scheduled occurred, the officers of that organization at a conference yesterday afternoon decided to go ahead with the bouts at Essington to-night. Special trains will run from Twenty-fourth and Chestnuts streets, Philadelphia.
